REF. NO. MBNA 72/12

SUBJECT: MODELS 124, 129
POWER WINDOW MOTOR ASSEMBLY

As of July 1993 production, models 124 and 129 use the same power window motors.

Please note the following installation requirements:

When installing a replacement window motor assembly, it is necessary to use the 3 distance sleeves and screws which are included with the assembly on both models.

Parts Information

Part Name	Part Number
Left window motor	129 820 73 42
Right window motor	129 820 74 42
